LETTER OF RESIGNATION

사 직 원

성 명 : 박주현

위 본인은 다음과 같은 이유로 서울특별시선거관리위원회 위원직을 사직하고자 합니다.

사직 사유

본인은 서울특별시 선거관리위원으로서 4.7 보궐선거 투표 및 개표 관리감독에 누구보다 철저히 임하였고, 성실히 관리감독을 하였으나, 여전히 4.7 보궐선거 결과 사전투표와 당일투표의 격차가 현격하고, 외부에서 감시를 한 투표구와 감시를 하지 않은 투표구의 외부 시민이 개표한 결과와 실제 개표결과가 차이가 있으며, 호남지역에서의 관외사전투표 참관방해 등 부정선거의혹이 있음.

개인적인 상식과 수학·통계지식으로 볼 때에도 사전투표와 당일투표의 차이를 도저히 이해하기 어렵고, 연령대 투표율과 개표결과를 두고 살펴보아도 25개 전 지역구에서 진 박영선 후보가 11개 구에서 사전투표에서 이기는 것은 불가능하다고 생각함.

여전히 부정선거 의혹이 있고, 불편한 마음을 감출 길이 없어 사직을 하고자 사직서를 제출함.

향후 더욱 공정하고 투명한 선거관리를 통하여 국민의 신뢰를 받는 선거관리위원회가 되길 바라며, 프로듀스 101 K-Voting 조작 등 선거관리위원회가 관여되어 있는 전자투표에서도 부정선거가 있었던 것이 드러난바, 정당, 대한의협, 대한변협 등에서 대한민국 곳곳에서 진행되는 전자투표에서도 실시간 로그 기록 참관 등을 허용하고, 공정하고 투명한 선거관리가 진행되기를 간절히 바람.

부정선거가 없는 투명하고 신뢰할 수 있는 자유 대한민국이 되길 간절히 바람.

ROK & USA Election Fraud: Parallel Cases Uncovered

18,000 passports were found abandoned in an apartment dump

Police in Siheung-si, Gyeonggi-do, announced that they had received an external hard drive from a citizen the day before and were currently analyzing it. The citizen acquired the hard drive for business purposes, and upon examining its contents, he discovered a number of passport copy image files, which he handed over to the police. It is estimated that approximately 18,000 passport image files containing resident registration numbers, etc. are stored on the external hard drive. Additionally, a document file listing 21 fake IDs and certificates, including resident registration card, bankbook copies, university graduation certificates, and national technical qualification certificates, was found on the storage device.

The FBI has located documents which detail alarming allegations related to the 2020 U.S. election, including allegations of interference by the CCP.

I have immediately declassified the material and turned the documents over to the Chairman Grassley for further review.
